

# A DIFFERENT BEAT

It's just the way small format filmmakers are.  
They tick a bit differently.  
And their films are extraordinary.

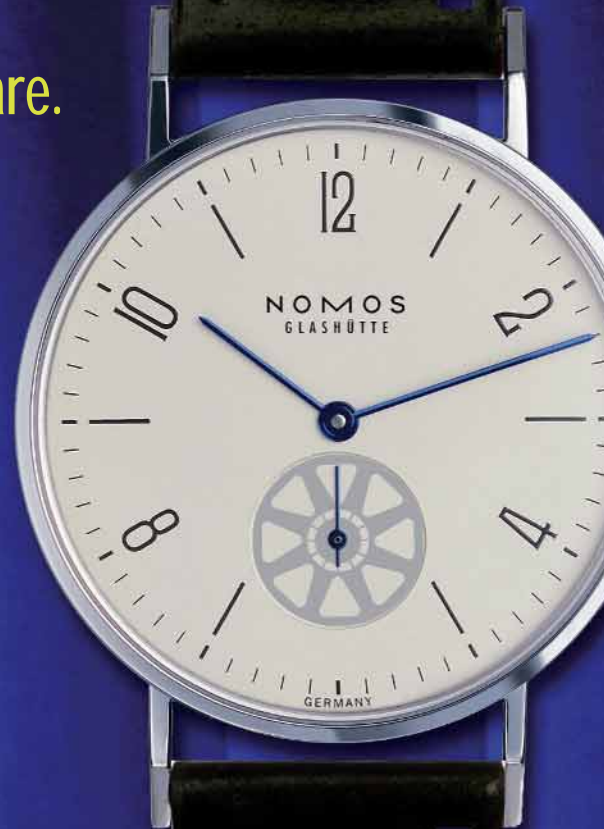

Make another film. For the 5th NOMOS International Small Format Awards.

On Super 8. Or – for the first time – on 16 mm. But not more than 8 minutes, and the film must reach us before October 15, 2008. Win one of two NOMOS Tangente Super 8 watches with a value of Euro 920 in each category. Or Euro 500 cash. Or Wittner Cinetec gift certificates worth Euro 250. Or Kodak film stock. Or an annual subscription to smallformat. Or a book package containing "Film Projectors" and "Cut." Ten prizes await the winners in each category (Super 8 and 16 mm). A professional jury will select the prizewinners. The jury's decision is final. Take part! You
